Rogers and any co-sponsors of the Contest are referred to collectively or individually as the “**Sponsors**”.

- (a) be a legal resident of the province of Alberta who has reached the age of majority as of the date of entry and who reside within the listening range of 105.3 ROCK in Medicine Hat and 106.7 ROCK in Lethbridge. For greater certainty, to be eligible, you must be able to access the Station’s terrestrial broadcast without recourse to satellite radio, the Internet (including simulcasting), cable television, an application (including a web, digital or telephone application), or any other non-traditional listening device or tool. ### **3. WHEN DOES THE CONTEST START/END?**

You may enter the Contest between 7:00 am on March 31, 2025 and 10:00 am on April 14, 2025 (“**Entry Period**”), or at the time communicated clearly by the station(s)\*. All times referenced in these Official Rules are Mountain Standard Time.

\*Contest sponsors reserve the right to shorten or extend the end date of the contest

### **4. HOW DO I ENTER THE CONTEST?**

No purchase is necessary to enter the Contest.

To enter the Contest: (i) text in the CODE WORD provided during the entry period (ii) if selected, listener must correct answer a trivia question provided by the hosts to be entered in the the draw (iii) the listener will win if their name is pulled from the draw at the end of the contest period.

The Station will contact such selected entrant using the information provided in the message that he or she sent; however, in the event the Station is unable to make contact with a selected entrant for any reason within two (2) minutes, then the Station may disqualify such selected entrant and randomly select an alternate entrant from among remaining eligible messages received during the applicable Entry Window, and so on and so forth, until the Station successfully makes contact with an eligible qualifier/potential prize winner.

Notwithstanding the above, in the event of any technical issues relating to the Station’s messaging platform (as determined by Rogers), a cue to text may be altered to a cue to call, such that the Station would prompt its listeners to call the Station (780-423-1029), and the 1<sup>st</sup> eligible caller to reach the Station following any such cue to call would be deemed a qualifier/potential prize winner. In the event of any such cue to call, the following additional terms and conditions apply:

If the telephone line is dead when answered, or no audible response is heard, or no one responds after five seconds, the Station will answer the next call in sequence and the next call in sequence will replace that call, and so on and so forth. In the event a call is cut off before all personal data is collected, the Station will use reasonable efforts to make contact with the cut-off caller, provided enough personal information was gathered in order to correctly identify the cut-off caller. In the event two or more calls come through on the same line, all such callers will be advised to hang up and try again, and the next call in sequence will replace that call. In the event the Station answers a call and identifies the caller as an individual already qualified in this Contest or ineligible to participate in this Contest, the Station will answer the next call in sequence and the next call in sequence will replace that call, and so on and so forth.

The Station’s online stream may be a delayed stream of the Station’s radio signal and may vary depending on your computer’s memory capacity and the speed of your Internet connection. For that reason, it is recommended that listeners listen to the Station in “real time” by turning on an actual radio.
